

Church Evaluation Form

Please complete and return to your District Superintendent **by December 31, 2007**

Church _____ Pastor _____

After assessing the ministry of our church and discussing our affirmations and concerns with the pastor, the Pastor (Staff) Parish Relations Committee would like to communicate the following information to the Bishop and the Cabinet. We understand the information shared herein is for the purpose of consulting and is not in any way binding on the parties to the consultation.

Check all that apply:

_____ Our church has clearly communicated a vision for ministry that includes goals and Objectives that are realistic and measurable.

_____ Our pastor is an effective leader in helping the church achieve these goals and objectives. (Please list the critical ministries and/or projects that might be impeded, if there were a change of appointment.)

_____ Our pastor is an effective spiritual leader in our church and community. (Please identify any ripple effect that might occur in the church or community if there were a change in appointment.)

_____ We have serious concerns about the effectiveness of our ministry and about the effectiveness of the pastor's spiritual leadership. (Please attach a list of these concerns and explain why a change of appointment might be advantageous.) Selecting this response will mean that the Superintendent will be in contact with the Chairperson of the Staff/Pastor Parish Relations Committee.

_____ We would like to speak to the District Superintendent about the effectiveness of our ministry.

Please have the members of the committee present for this discussion sign below:
